NOTICE TO OUR READERS.

If you wish for extra copies of the British Journal of Nursing write soon.

Many of those planning to attend the Montreal Congress will no doubt wish to carefully file this issue of THE BRITISH JOURNAL OF NURSING, containing the Congress Programme, and may therefore be glad to have an additional copy, (price 7d.) If so, we advise them to write soon for this to the Manager, BRITISH JOURNAL OF NURSING Office, 39, Portland Place, London, W.1, otherwise they may be disappointed to find that no copies are procurable, as the issue is sold out. Former issues of this JOURNAL relating to International Congresses have always been in great demand.
