

Miss Latham had also been a most acceptable Member of the Council, and would be greatly missed.

In supporting the President Miss Breay said that Miss Latham's work for THE BRITISH JOURNAL OF NURSING had been particularly welcome.

The President's proposal was carried with acclamation. The meeting then terminated.

WHAT OUR FELLOWS ARE DOING.

A line from Miss Margaret M. Sim, from Newfoundland, announces her arrival and that she has taken up her new duties as Matron of the Mental Hospital, St. John's, Newfoundland, that she is settling down in an entirely fresh environment, and is receiving help in the kindest way. It has been a great pleasure to meet Miss Myra L. Taylor, the Matron of the General Hospital, St. John's, who is also a Member of the B.C.N., with whom she has had tea, and who was to pay a return visit at an early date.

A portrait of Miss Sim appears on page 177.

The College Council greatly appreciates news of Fellows and Members from the Dominions, and is happy to learn of their devoted work in so many parts of the world.

A book by Miss Mary Chadwick, S.R.N., F.B.C.N., on "Nursing Psychological Patients," is shortly to be published by George Allen & Unwin, Ltd., Museum St., W.C.; It will be looked forward to with considerable eagerness, as there is a great dearth of literature on this important subject.

APPRECIATION OF THE B.J.N.

Miss May Walker, M.B.C.N., Stockport, writes: "I read with great interest in the B.J.N. all that the College is doing, and it all seems too wonderful, I was going to say, in such a short time, and yet I know it is the result of many years of hard labour. I often 'remember' our wonderful Editor and President. May it please Almighty God to grant her many happy years."

T.A.N.S. BENEVOLENT FUND.

Cottages at Rickmansworth for ex-members of the Territorial Army Nursing Service.

CONDITIONS OF TENANCY.

We are asked to state that a vacancy will shortly occur for a retired member of the Territorial Army Nursing Service to have a furnished cottage at Rickmansworth.

The Cottages are fully furnished and are rent free. Rates and taxes are paid and the upkeep of the cottages is maintained.

The tenant is responsible for fuel, light and her own maintenance and for keeping the garden in order. She must have small private means or be in receipt of a pension, and must provide herself with a companion (not necessarily a nurse) approved by the Committee, who will live with her and share expenses. It is considered that their joint income should amount to at least £2 per week.

So many nurses cannot afford a home of their own in their old age, and yet it is, for most of them, a haven of rest much to be desired. Therefore the furnished cottages at Rickmansworth provided by the T.A.N.S. Benevolent Fund are a welcome boon.
