

## THE HOSPITAL WORLD.

At the quarterly Court of Governors of the London Hospital, on September 6th, the Chairman, Sir William Goschen, who presided, presented the report, which stated that Sir Edwin Lutyens had drawn up a design for a commemorative tablet to Lord Knutsford with supporting pillars, and he had generously refused to accept any fee. The inscription on the memorial was as follows:—

SYDNEY GEORGE, Second Viscount KNUTSFORD.  
Chairman of this Hospital from 1896 to 1931.

Friend of all manner of men he will be remembered for his generous compassion for the sick and distressed. To these he gave the best of his powers. Rich beyond most men in the gifts of energy, courage and humour, he drew others to give with a sympathy and generosity akin to his own. Through him the Hospital was largely rebuilt and equipped to serve generations yet to come. Above all he inspired it in every part with his own spirit of love and service. He died in the hospital on July 27th, 1931, aged 76 years.

"Fulfil ye my going that ye be likeminded having the same love, being of one accord, of one mind."

The site chosen by Sir Edwin was in the main entrance hall of the hospital. This hall has been recently remodelled and greatly improved, owing to the generosity of Colonel Hale, as a memorial to his father, the late Mr John Hampton Hale.

King Edward's Hospital Fund for London has received a generous gift of freehold property to the value of about £18,000. The property is to form part of the permanent capital endowment of the King's Fund, but is to be kept separate as a permanent memorial to the late William and Francis Radford from a member of the family.

"Alexandra Day," states Jordan's Daily Register, has been registered as a public company limited by guarantee "to organise and make, in remembrance of her late Majesty Queen Alexandra, collections of money in London and suburbs; and to apply the moneys collected (after payment of expenses) in making grants to hospitals, welfare centres, etc."

The council consists of the Duchess of Portland, Lady Tuck, Lady Kenmare, Lady Worthington-Evans.
