THE PASSING BELL.

We regret to record the death of Miss Ada Constance Winifred Teevan, late Sister, Queen Alexandra's Imperial Military Nursing Service, in London, suddenly, on August 12th.

Trained at the Royal Berkshire Hospital, Reading, Miss Teevan was appointed Staff Nurse in Queen Alexandra's Imperial Military Nursing Service on 13th January, 1909, and promoted to the rank of Sister on 18th May, 1917, retiring from the Service in 1927.

She served with the British Expeditionary Force in France from August, 1914, till February, 1920, and for her valuable services was mentioned in despatches and awarded the decorations of the Royal Red Cross, 1st Class, and the *Medaille de la Reconnaissance Française en Bronze*.

Miss Teevan was a very able administrator and organiser, her kindly, tactful personality gaining the esteem and affection of all with whom she came in contact, and deep sympathy will be felt for her relatives in their bereavement.

We regret to report the death of Miss Emily Rose Dickenson, trained at St. Bartholomew's Hospital in almost prehistoric times, where she was appointed Sister of John Ward. Miss Dickenson, a very bright and charming woman, was greatly beloved by her nurses, and a devoted nurse herself, she set them a fine example of devotion to duty. She died on August 28th, at her home Villa Fabian, Alassio, Italy, where she had resided for many years, passing peacefully from her life of devotion to others, aged 81.

'Tis sweet as year by year we lose
Friends out of sight, in faith to muse
How grows in Paradise our store.
