In regard to the £500 now on deposit it was agreed on the proposition of Miss Musson, seconded by Miss Littleboy to recommend that £250 be invested in National Savings Certificates and that £250 should be kept on deposit at the Midland Bank.

It was proposed by Dame Alicia Lloyd Still, seconded by Miss Helen Dey, that the Report of the Florence Nightingale Advisory Committee as amended be adopted.

The Report was unanimously adopted.

The President congratulated the Committee upon the excellent Report and pointed out the substantial results accruing from the Appeal and the value of the Chapel services in connection with Nightingale Thanksgiving Day.

THE REPORT ON THE PROGRESS OF THE FLORENCE NIGHTINGALE INTERNATIONAL FOUNDATION.

The Report on the Florence Nightingale International Foundation stated that steady progress has been made during the past year. It was adopted for presentation to the Grand Council. During discussion the importance of encouraging the smaller foreign nations to participate in the educational courses by the grant of scholarships was emphasised. It was reported that the authorities in these countries were absolutely in sympathy with the work of the Foundation but could not afford to finance scholarships.

THE TREASURER'S REPORT.

The Hon. Treasurer, Miss M. Breay, presented the Audited Statement of Accounts, and a Report for submission to the Grand Council.

It showed that the Council closed the financial year with a balance in hand of £35 14s.

The *per capita* contribution of Affiliated Associations to the subscription of the National Council of Nurses of Great Britain to the International Council of Nurses was £609 5s.

On the proposition of Dame Alicia Lloyd Still, seconded by Miss E. M. Musson, the Report was adopted with thanks to the Treasurer.

SHORT REPORT OF BUSINESS TRANSACTED AT THE MEETING OF THE BOARD OF DIRECTORS, I.C.N., GENEVA, JULY 10th TO 12th, 1935.

The President presented a short Report of the important Meeting of the Board of Directors of the I.C.N. at Headquarters, Geneva, from July 10th to 12th, 1935, when a vast amount of business was transacted and important decisions agreed, the most important being the adoption of the Report of the Committee on Reorganisation of Headquarters, appointed in Paris in 1933, which was then dissolved, and the Balance Sheets and Auditors' Reports, presented by the Treasurer, Miss E. M. Musson, for the years 1932, 1933 and 1934, together with a detailed Report from herself as Treasurer, a monumental piece of work for which the whole International Council of Nurses owes her a deep debt of gratitude.

All the Resolutions and Recommendations submitted by the National Council of Nurses of Great Britain were approved, and the following Resolution to appear on the Agenda Paper in 1937, from the American Nurses' Association, will receive support.
