Moment*

A Concentrated Protective Vitamin Food

THE nurse who has the care of children is never allowed to overlook "Vimaltol time." It is the delicious moment which all children look forward to so eagerly, once they have experienced the delightfully sweet orange flavour of this concentrated, protective vitamin food.

"Vimaltol" possesses important advantages which make it of special value in every child's dietary. It provides nutritive elements for increasing strength and weight, maintaining sturdy growth and fortifying resistance against coughs, colds and other ailments.

The vitamins are supplied from specially prepared malt extract and yeast, which is one of the richest natural sources of vitamin B₁, and Halibut Liver Oil fortified with additional vitamins and minerals. It is deliciously flavoured with orange juice.

The regular use of "Vimaltol" will provide an additional safeguard against infection, and assist in raising the general resistance. Whether it is taken direct from the spoon or used as a spread on bread, "Vimaltol" is irresistibly delicious and quite as nice as the nicest jam.
