

*The Delicious, Nourishing,
Energizing Vitamin Food*

NURSES who have the care of children will find 'Vimaltol-time' among the most cheerful moments of the day. No child can resist the delightful sweet orange flavour of this nourishing energizing vitamin food.

'Vimaltol' is a well-balanced food, containing important nutritive elements and vitamins which help to increase strength and weight, maintain healthy growth and build up resistance against infection.

'Vimaltol' is made from specially prepared malt extract of high protein content, yeast—one of the richest sources of vitamin B—and Halibut Oil, an important source of vitamins A and D. It is also fortified with additional vitamins and mineral salts, and is deliciously flavoured with orange juice. For these reasons 'Vimaltol' is an extra safeguard of health and a most desirable addition to the daily dietary of all children.
